

Duavee is back in stock with improved packaging

DUAVEE[®]
CONJUGATED ESTROGENS/
BAZEDOXIFENE
0.45 MG/20 MG TABLETS

In 2020, Pfizer voluntarily recalled Duavee due to issues with the packaging.
Duavee was NOT recalled because of safety issues with the tablets.

Duavee has newly designed packaging

An insert is now included in the packaging to protect the tablets from oxygen exposure, thus protecting the shelf life of the product.

**At Pfizer, patients are the focus of everything we do.
We are committed to the millions of patients around the world who have been prescribed Duavee.**
